Privacy Policy (Registration)

1. An overview of data protection

General

K.I.T. Group takes your personal data protection seriously.

The following gives a simple overview of what happens to your personal information when you visit our website. Personal information is any data with which you could be personally identified. Detailed information about data protection can be found in our privacy policy found below.

Data collection on our website

Who is responsible for the data collection on this website?

The data collected on this website are processed by the website operator. The operator's contact details can be found in the website's required legal notice.

How do we collect your data?

In the course of the registration, personal data (for example name, address, contact information, etc.) as well as detailed data required for processing (e.g. desired type of registration, type of participant, additional booking options) are collected. In addition, payment information (account details, credit card information) may be requested, depending on the options selected. If necessary, statistical data such as occupation, field of study, etc. are also recorded. Your data will be collected only when you provide it to us. This may be data that you enter in a contact form. Other data is collected automatically by our IT systems when you visit the website. This data is primarily technical data such as the browser and operating system you are using or when you accessed the page. This data is collected automatically as soon as you enter our website.

What do we use your data for?

Part of the data is collected to ensure the proper functioning of the website. Other data can be used to analyse how visitors use the site. In particular, data is collected for the following purposes:

Profile- / Log-in Data

To use the profile, various personal information must be provided (last name, first name, gender, nationality, email, postal address and password). This data is required to provide individualized access to our services.

Registration

As part of the registration process, various personal information (name, address, contact details, etc.) will be collected as well as information required to complete your booking (desired booking type, participant type, additional booking options, etc.).

Depending upon your booking type and preferences, payment data (account details, credit card details) may be collected as well.

You may also be asked to provide information such as profession, field of study, etc. for statistical purposes.

Certificate of Attendance

In order to provide certification, participants' personal data (name, address, occupation, etc.) are required, as well as statistical information such as profession, field of study, etc.

Leadcapture

As part of the leadcapture service, personal data (name, address, contact information) is collected and disclosed to third parties in the exhibition. These are used by the exhibitors for information and advertising purposes.

What rights do you have regarding your data?

You always have the right to request information about your stored data, its origin, its recipients, and the purpose of its collection at no charge. You also have the right to request that it be corrected, blocked, or deleted. You can contact us at any time using the address given in the legal notice if you have further questions about the issue of privacy and data protection. You may also, of course, file a complaint with the competent regulatory authorities.

Analytics and third-party tools

When visiting our website, statistical analyses may be made of your surfing behaviour. This happens primarily using cookies and analytics. The analysis of your surfing behaviour is usually anonymous, i.e., we will not be able to identify you from this data. You can object to this analysis or prevent it by not using certain tools. Detailed information can be found in the following privacy policy.

You can object to this analysis. We will inform you below about how to exercise your options in this regard.

2. General information and mandatory information

Data protection

The operators of this website take the protection of your personal data very seriously. We treat your personal data as confidential and in accordance with the statutory data protection regulations and this privacy policy.

If you use this website, various pieces of personal data will be collected. Personal information is any data with which you could be personally identified. This privacy policy explains what information we collect and what we use it for. It also explains how and for what purpose this happens.

Please note that data transmitted via the internet (e.g. via email communication) may be subject to security breaches. Complete protection of your data from third-party access is not possible.

Notice concerning the party responsible for this website

The party responsible for processing data on this website is:

K.I.T. Group GmbH Dresden

Bautzner Str. 117–119

01099 Dresden

Telephone: +49 (0)351 65573 0

Email: info@kitdresden.de

The responsible party is the natural or legal person who alone or jointly with others decides on the purposes and means of processing personal data (names, email addresses, etc.).

Revocation of your consent to the processing of your data

Many data processing operations are only possible with your express consent. You may revoke your consent at any time with future effect. An informal email making this request is sufficient. The data processed before we receive your request may still be legally processed.

Right to file complaints with regulatory authorities

If there has been a breach of data protection legislation, the person affected may file a complaint with the competent regulatory authorities. The competent regulatory authority for matters related to data protection legislation is the data protection officer of the German state in which our company is headquartered. A list of data protection officers and their contact details can be found at the following link: https://www.bfdi.bund.de/DE/Infothek/Anschriften_Links/anschriften_links-node.html.

Right to data portability

You have the right to have data which we process based on your consent or in fulfillment of a contract automatically delivered to yourself or to a third party in a standard, machine-readable format. If you require the direct transfer of data to another responsible party, this will only be done to the extent technically feasible.

SSL or TLS encryption

This site uses SSL or TLS encryption for security reasons and for the protection of the transmission of confidential content, such as the inquiries you send to us as the site operator. You can recognize an encrypted connection in your browser's address line when it changes from "http://" to "https://" and the lock icon is displayed in your browser's address bar.

If SSL or TLS encryption is activated, the data you transfer to us cannot be read by third parties.

Encrypted payments on this website

If you enter into a contract which requires you to send us your payment information (e.g. account number for direct debits), we will require this data to process your payment.

Payment transactions using common means of payment (Visa/MasterCard, direct debit) are only made via encrypted SSL or TLS connections. You can recognize an encrypted connection in your browser's address line when it changes from "http://" to "https://" and the lock icon in your browser line is visible.

In the case of encrypted communication, any payment details you submit to us cannot be read by third parties.

Information, blocking, deletion

As permitted by law, you have the right to be provided at any time with information free of charge about any of your personal data that is stored as well as its origin, the recipient, and the purpose for which it has been processed. You also have the right to have this data corrected, blocked, or deleted. You can contact us at any time using the address given in our legal notice if you have further questions on the topic of personal data.

Opposition to promotional emails

We hereby expressly prohibit the use of contact data published in the context of website legal notice requirements with regard to sending promotional and informational materials not expressly requested.

4. Data collection on our website

Cookies

Some of our web pages use cookies. Cookies do not harm your computer and do not contain any viruses. Cookies help make our website more user-friendly, efficient, and secure. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called "session cookies." They are automatically deleted after your visit. Other cookies remain in your device's memory until you delete them. These cookies make it possible to recognize your browser when you next visit the site.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Cookies which are necessary to allow electronic communications or to provide certain functions you wish to use (such as the shopping cart) are stored pursuant to Art. 6 paragraph 1, letter f of DSGVO. The website operator has a legitimate interest in the storage of cookies to ensure an optimized service provided free of technical errors. If other cookies (such as those used to analyse your surfing behaviour) are also stored, they will be treated separately in this privacy policy.

Registration on this website

You can register on our website in order to access additional functions offered here. The input data will only be used for the purpose of using the respective site or service for which you have registered. The mandatory information requested during registration must be provided in full. Otherwise, we will reject your registration.

To inform you about important changes such as those within the scope of our site or technical changes, we will use the email address specified during registration.

We will process the data provided during registration only based on your consent per Art. 6 (1)(a) DSGVO. You may revoke your consent at any time with future effect. An informal email making this request is sufficient. The data processed before we receive your request may still be legally processed. We will continue to store the data collected during registration for as long as you remain registered on our website. Statutory retention periods remain unaffected.

Processing of data (customer and contract data)

We collect, process, and use personal data only insofar as it is necessary to establish, or modify legal relationships with us (master data). This is done based on Art. 6 (1) (b) DSGVO, which allows the processing of data to fulfill a contract or for measures preliminary to a contract. We collect, process and use your personal data when accessing our website (usage data) only to the extent required to enable you to access our service or to bill you for the same.

Collected customer data shall be deleted after completion of the order or termination of the business relationship. Legal retention periods remain unaffected.

Data transferred when signing up for services and digital content

We transmit personally identifiable data to third parties only to the extent required to fulfill the terms of your contract with us, for example, to banks entrusted to process your payments.

Your data will not be transmitted for any other purpose unless you have given your express permission to do so. Your data will not be disclosed to third parties for advertising purposes without your express consent.

The basis for data processing is Art. 6 (1) (b) DSGVO, which allows the processing of data to fulfill a contract or for measures preliminary to a contract.
