Visa requirements and invitation letter

It is the sole responsibility of the attendee to take care of her/his visa requirements. Attendees who require an entry visa must schedule sufficient time for the application procedure. Attendees should contact the nearest embassy or consulate to determine the appropriate timing of their visa applications. It is recommended to apply for a visa at least three months in advance of the congress.

Everyone who requires an official letter of invitation can request it during the online registration. Invitation letters will be issued only for registered delegates, who fully paid their registration fee. Invitation letters will be issued electronically (as PDF file via email). Upon request, a hand-signed hard copy can be sent via regular mail service. Kindly note that tracking of regular mail is not possible and that mail delivery times are beyond the organisers control. Express delivery is possible upon request as well but will involve an extra service charge. Issuing the invitation letter does not financially obligate the congress organisers in any way. All expenses incurred in relation to the congress are the sole responsibility of the attendee.

Publication of Abstracts

According to the publication policy of GLIA 2025, only abstracts from authors who have registered and fully paid the registration fees according to the payment deadline mentioned in their invoice, will be published in the abstract book. Furthermore, the poster must be presented from the author (or at least any of its co-authors) in person on-site.

Name badge

On arrival at the congress venue, every attendee needs to proceed to the registration desk first to pick up the name badge. The name badge must be worn at any time during the congress and entrance to the congress premises will only be allowed when presenting a valid name badge. If an attendee loses, misplaces, or forgets the name badge, a handling fee of 20.00 EUR will be charged for re-printing the badge. Upon handing out a new name badge, the lost badge will become invalid.

Film, Photo and Video Recordings

Network Glia and K.I.T. Group Dresden are collaborating closely to create a comprehensive overview of the congress programme, interactions and events that may be of promotional interest to the society. Accordingly, please be informed that you may be filmed or photographed at any time (e.g., in the session rooms, or in the poster and exhibition area). With the registration to the congress, attendees confirm and agree to the publication of the above-mentioned photo/video material on congress-related websites, social media channels or printed matters.
