The processing of the information entered into the newsletter subscription form shall occur exclusively on the basis of your consent (Art. 6(1)(a) GDPR). You may revoke the consent you have given to the archiving of data, the e-mail address, and the use of this information for the sending of the newsletter at any time, for instance by clicking on the "Unsubscribe" link in the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place to date.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter or after the purpose has ceased to apply. Data stored for other purposes with us remain unaffected.

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6(1)(f)

GDPR). The storage in the blacklist is indefinite. **You may object to the storage if your interests outweigh our legitimate interest.**

- **Newsletter mailing to existing customers**

If you order goods or services from us and enter your e-mail address, this e-mail address may subsequently be used by us to send you newsletters, provided we inform you of this in advance. In such a case, only direct advertising for our own similar goods or services will be sent via the newsletter. You can unsubscribe from this newsletter at any time. There is a corresponding link in every newsletter for this purpose. In this case, the legal basis for sending the newsletter is Art. 6 (1)(f) GDPR in conjunction with Section 7 (3) UWG.

After you unsubscribe from the newsletter distribution list, we may store your email address in a blacklist to prevent future mailings to you. The data from the blacklist will only be used for this purpose and will not be merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6 (1)(f) GDPR). Storage in the blacklist is not limited in time. You can object to the storage if your interests outweigh our legitimate interest.

This website integrates videos from the YouTube website. The operator of the website is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

When you visit one of these websites on which YouTube is integrated, a connection to the YouTube servers is established. This tells the YouTube server which of our pages you have visited. If you are logged into your YouTube account, you enable YouTube to assign your surfing behavior directly to your personal profile. You can prevent this by logging out of your YouTube account.

We use YouTube in extended data protection mode. According to YouTube, videos that are played in extended data protection mode are not used to personalize browsing on YouTube. Ads that are played in extended data protection mode are also not personalized. No cookies are set in extended data protection mode. Details on the extended data protection mode can be found here: *https://support.google.com/youtube/answer/171780*.

After activating a YouTube video, further data processing operations may be triggered over which we have no influence.

The use of YouTube is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6(1)(f) GDPR, this is a legitimate interest. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TDDDG, insofar the consent includes the storage of cookies or the access to information

in the user's end device (e.g., device fingerprinting) within the meaning of the TDDDG. This consent can be revoked at any time.
