Dispute resolution proceedings in front of a consumer arbitration board

We are not willing or obliged to participate in dispute resolution proceedings in front of a consumer arbitration board.

Website content

The content of this website has been compiled with the greatest possible care. However, K.I.T. Group GmbH does not guarantee the accuracy, completeness or timeliness of the content provided.

Website availability

K.I.T. Group GmbH endeavours to offer the service without interruption. However, even with the utmost care, downtime cannot be ruled out. K.I.T. Group GmbH reserves the right to change or discontinue its services at any time. It does not accept any liability for interruptions or other disruptions caused by incorrectly created files or incorrectly structured formats.

Note on copyright

All content and structures on this website are protected by copyright and ancillary copyright. Publication on the World Wide Web or in other Internet services does not

constitute a declaration of consent for any other use by third parties. Any use not permitted by German copyright law requires the prior written consent of K.I.T. Group GmbH.

Quoting the content and documents provided and setting links to this website are expressly permitted as long as it is made clear that the content is from the K.I.T. Group GmbH website and this content is not associated with third-party content that contradicts the interests of K.I.T. Group GmbH.

Note on the use of external links

K.I.T. Group GmbH is responsible for its own content, which it provides for use, in accordance with general laws. A distinction must be made between this own content and cross-references (links) to content provided by other providers. Through the cross-reference, K.I.T. Group GmbH provides third-party content for use, which is marked as a link.

Links are dynamic references. K.I.T. Group GmbH has checked the external content when the link was first created to see if it could trigger any possible civil or criminal liability. However, it does not constantly check the contents to which it refers in its offer for changes that could newly establish liability. If it discovers or is notified by others that a specific offer to which it has provided a link triggers civil or criminal liability, it will remove the reference to this offer.
